

VIRTUAL SEASON GUIDE

PURPOSE

We are SO excited to host our first virtual season. Each week will consist of 2 challenges and one race the kids will do throughout the week on their own. On Sunday, we will get together on zoom and divide into teams, building the energy and excitement for the following week.

WEEKLY ACTIVITIES

- Tuesday's Challenge 1
- Thursday's Challenge 2
- Saturday's Race
- Sunday's Team Meeting

SUNDAY'S TEAM MEETING

Join us at 1 pm ET on Zoom, where we will recap the week before dividing up into teams of about 10 kids per 2 volunteers to build excitement, get active through activities, and build team camaraderie alongside collegiate students and athletes!

PRIZES

We've got wristbands, batons, water bottles, and t-shirts lined up! The more you complete, the more prizes you earn! To earn that week's prize, you must fill out the google form with photo/video confirmation of all weekly activities (challenge 1, challenge 2, and the race) by Saturday night!

LET'S DO THIS!
